[August 10, 2004- Public Hearing Summary](#) (671 K)

The purpose of this proposed action is for Washington DNR to establish an appropriate management framework for the state-owned aquatic lands within Quartermaster Harbor and along the east side of Maury Island that are currently designated as an environmental aquatic reserve.

The following relevant dates are identified in the Draft SEIS:

Public Commend Deadline: August 27, 2004

Public Hearing: August 10, 2004 – 7:00 pm to 9:00 pm

McMurray Middle School, Multi-purpose room

9329 SW Cemetery Road – Vashon Island, WA 98070-6105

Proposed Date of Issuance of Final Supplemental EIS and Public Benefits Analysis:

October 26, 2004

Proposed Final Action Date: November 2004
